In re:

PETROLEUM RECYCLING CORPORATION

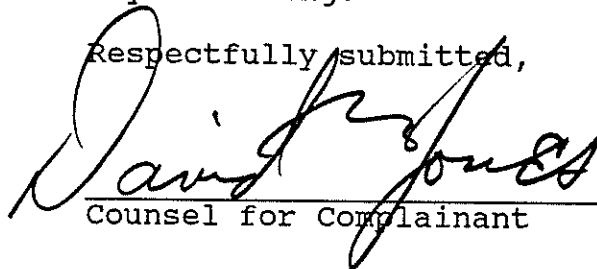

Respondent.

Docket No. TSCA-09-91-0002

MEMORANDUM OF ORAL RULING
GRANTING EXTENSION OF
TIME TO ACHIEVE
SETTLEMENT

Counsel for Complainant and counsel for Respondent placed a joint call to Judge Vanderheyden's chambers today and spoke with Ms. Walzel, Judge Vanderheyden's secretary. We explained to Ms. Walzel that while our earlier request extending time to July 26, had been granted we would not have a settlement by that time. We also indicated that counsel for Respondent was going on vacation. Ms. Walzel conveyed the Judge's oral order granting an extension to August 26, 1991. Ms. Walzel further instructed that the extension be memorialized by a writing.

Respectfully submitted,

Counsel for Complainant
